31.1.23

Dear Parents and Carers,

We have planned some exciting educational visits for the Y6 children in the Spring and Summer Term. There may be some additional visits added throughout the year, such as visits to the park or within the local area - we will inform you as and when they have been planned.

Additionally, we often invite visitors and workshops into school to enrich the curriculum, the dates and cost of those already booked have been added to the list below.

Place of Visit	**Date**	**Price**
Spring Term 2023		
Climate Education Workshops (in school)	6 workshops across the term	£0
The Lion King	8.2.23	£10 (see separate letter)
Summer Term 2023		
School Journey - Embers campsite residential	t.b.c	Summer term enrichment will be charged on an opportunity by opportunity basis
Thorpe Park	t.b.c	
Forest School Day (if not going to Embers campsite residential)	t.b.c	

The Year 6 teachers will send you a letter closer to the time to give you further details about each visit.

We are seeking volunteers to accompany classes on this year's educational visits. It is a requirement that volunteers hold a current DBS check or are signed on to the update service. If you would like to volunteer for your child's year group and consent to the DBS check, please contact Hattie directly on hahmed@sunnyhill.lambeth.sch.uk and she will send you the necessary information.

Kind regards

N. Gentleman
