FREE Dr Bike Check Up

18th March

Dear parent/carer,

As part of the **Bike It** Project we will be having a **Dr Bike** on **18.03.2020.**

On this day a bike mechanic will come into school to carry out **free bike checks** and **basic bike maintenance** on children's bikes.

This is a great opportunity for your child to get their bike checked out and make sure it's roadworthy. A trained mechanic will be testing every part of the bike and fix any minor faults, such as tightening and adjusting brakes. Bikes will be seen on a first come, first served basis so make sure you get there early.

To get your child's bike checked over please….

- take the bike to **the bike shed** before school.
- leave the bike unlocked.
- if you don't think the bike is safe to ride, please wheel it to school/or drive it to school in a car.
- if possible, label the bike with your child's name

I look forward to seeing you and your bike on **18.03.2020.**

Best wishes,

Freya Palmer **Lydia Molina**
PSHCE Subject Leader

Bike It Plus, Lambeth
