

7th March 2024

Dear Parents/Carers,

On Tuesday, March 12th, as part of Science Week, Year 2 will be visited by Mitcham Zoo for an animal encounter and handling experience.

During the session, the children will meet snakes, bearded dragons, tortoises, a gecko and an armadillo.

We are asking for a contribution of £3.50 towards the cost of this experience. This can be paid through our online payment system 'The Gateway' using the Payment product '**Year 2 Mitcham Zoo Visit**'.

Kind regards

Miss Edwards & Miss Sands
