Pedestrian Skills Training

Dear Parents and Carers of Year 3 children,

For2feet will be visiting School to provide Pedestrian Skills Training for children in Year 3 on **Friday 19 January 2024**. Children that participate in this training will learn essential road safety skills that will make them safer pedestrians. Training will be provided in small groups with experienced instructors. Each group will receive one 45-minute training session on the pavements around your school. A member of school staff will also accompany the training.

The training reminds the children of Stop, Look, Listen and includes:

- Finding a safe place to cross the road
- The correct use of pedestrian crossings such as zebra/pelican/island that are close to the school
- How to cross at junctions and near parked cars
- The importance of wearing bright clothing
- The dangers of cars reversing from driveways, across the pavement.
- The dangers of being distracted such as wearing headphones or using a mobile phone.

Please complete the consent form below to allow your child to take part in this valuable training and return it to school.

Kind regards

Nicola Gentleman

Pedestrian Skills Training Permission Slip

Child's name

Class

I confirm that my child has permission to participate in the pedestrian skills training.

I understand that this activity will take place outside the school site and will include supervised road crossing.

Name: Date:

Signature: Parent/Guardian (must be over 18)

If you would like a paper copy of the permission slip please request one from the front office.
