

Summer Term 2020 Weekly Planning – Home Learning

WB: 29th June 2020

Day	Phonics (including reading and writing) - reviewing Phase 3	Maths	Topic Focus
Monday	Show sounds from Phase 3 - can you say the sounds to your adult ? Show words - can you be a Digraph Detective and spot the digraphs in the words? Can you read the words? Show sentences - can you find the digraphs first? Can you find the red tricky words? How can you read the words? Can you read the sentence?	Halving Prior knowledge: What is halving? What does half mean? Can you think of an example of halving and share your ideas?	Creative: Transport focus: Planes Can you follow the instructions to make a paper plane? Can you decorate your plane? Can you make your plane fly? What could you change or add to make your plane fly any better or higher?
Tuesday	Show sounds from Phase 3 - can you say the sounds to your adult ? Show words - can you be a Digraph Detective and spot the digraphs in the words? Can you read the words? Show picture - we are going to think of a sentence first about the picture. Can we count the words? How can we spell the words? (see example) Show a second picture - can you write your own sentence?	Halving: objects Look at the images, can you halve them? How do you work out halves? If you halve the objects how many would each person have?	Understanding The World: Our car won't start! Can you help Mr Airey and Miss Edwards car work again? Why do you think it wont move? Does it need something to make it work? Can you draw, write or talk about how you would make it work?
Wednesday	Show sounds from Phase 3 - can you say the sounds to your adult ? Show words - can you be a Digraph Detective and spot the digraphs in the words? Can you read the words? Show sentences - can you find the digraphs first? Can you find the red tricky words? How can you read the words? Can you read the sentence?	Halving: Word problems Read the word problem. Can you work out half and write the answer? Can you show your working out? How can you check your answer is correct?	Creative : Transport focus: Cars Can you make a road map for a toy car. Where is your road leading to? What direction is your road going in? Can you use arrows to show direction? Can you voice record describing and explaining your road map and talking about the directions and sights on the road?

Summer Term 2020 Weekly Planning – Home Learning

WB: 29th June 2020
