

17th November 2021

Dear Parents/Carers

I would like to update you on arrangements for school meals here at Sunnyhill. Before the summer, I sent out a questionnaire on school meals to hear your views and find out what more can be done to ensure that the meals are enjoyable and accessible to all.

A significant number of parents/carers responded that they would take up school meals if the meat was halal. In response to this feedback, ISS have adjusted the menu so that from January 2022 there will be a halal and a non-halal meat option available. We will continue to offer vegetarian and vegan options as we do already.

ISS will hold a food tasting event for parents/carers on 23rd November at 2.45pm in the dinner hall. The session will be led by Hassane Taleb who is the development chef for our local area and he will be joined by ISS's nutritionist. It is open to all parents/carers, especially if your child currently brings a packed lunch, so that you can find out more about the menu design and portion sizes etc.

I hope as many of you as possible will be able to come along on Tuesday 23rd at 2.45pm to sample some food from the menu!

Kind regards,

A handwritten signature in black ink that reads "Sarah Wilson".
