

15<sup>th</sup> November 2021

Dear Parents and carers,

Thank you for helping us by making healthier packed lunches. We have seen a huge change in what people are bringing in.

We are writing to inform you about our healthy eating fruit swaps. What this means is that, if your child packs an unhealthy treat in their packed lunches from Monday to Thursday, it will be swapped for a piece of fruit.

Just a reminder that they can bring a treat on a Friday.

Thank you for your support and help to make our school healthier.

A handwritten signature in blue ink that reads "Lily Mae".

Lily Mae

Y6 School Councillor on behalf of the School Council Team
