

19th November 2021

Dear Parents and carers,

A couple of years ago, our School Council collected parcels for Spires as part of the work they did to support homelessness in our community. We are still in contact with the charity, which is based on Tooting Bec Gardens.

They worked throughout the pandemic, seeing an even higher demand for their support, making breakfasts and offering other services to the most vulnerable in our local area.

We would like to support them at this time of year, when the weather is getting colder and the people they help need more support than ever.

If you can, we would like people to bring in one item from the list below on **Friday 26th November**.

Thank you for your help,

Gemma Clark
