

14.10.21

Dear Parents/Carers,

We are very happy to announce that we will be starting weekly cooking sessions in Nursery after the half term. This is a fantastic opportunity for the children to practise different practical skills used in cooking and taste some new flavours. Cooking sessions will be **every Wednesday**. To include the children in each step they will be given the opportunity to vote at the end of each week for the recipe they would like to make the following week.

In order to provide this opportunity for the children we will be asking for weekly contributions of **£1** to pay for the ingredients and items needed.

We would also love the opportunity to incorporate recipes from home into our sessions. If you have any family recipes or recipes that you enjoy making at home with your child, please feel free to share these with us so we can use them in one of our sessions. We ask that all recipes provided are nut free and can also be completed within an hour, including cooking time, so that items will be ready for the children before they go home.

We are always happy to accept donations. If you have any unused or unwanted cooking equipment please bring them to Nursery. Items such as: **large mixing bowls, large wooden or plastic spoons, baking trays, whisks, different shaped and sized biscuit cutters** would be greatly appreciated.

Thank you,

Miss Hamilton and Mrs Marcia.
