Dear Parents and Carers,

In previous years, Y5 pupils have been given the chance to put themselves forward for Peer Mediator training. In the past, our Peer Mediator team has won Diana awards for their playground mediations and planning of Anti-bullying week. This year we are going to give all Y5 pupils the opportunity to be trained as Peer Mediators.

During February, your child's class will learn about mediation, conflict resolution, team-work, listening to others and reframing. They will use role-play to practise mediations with their peers, working in pairs to help others resolve disagreements.

The training helps them to empathise with others, understand emotions, become better listeners and boosts confidence.

We hope that you will agree that these are all important skills to learn.

Yours sincerely,
