Dear Parents and Carers

Home learning

Happy New Year to all of you!

We are writing to let you know that we are moving over to new home learning format for Year 3 starting this term.

This will take a form of a document on the class page on the school website, as well as on Google classroom, which will contain Reading, Spelling, English and Maths. This will be uploaded on the school website and Google classroom on a Friday. The explanation of the tasks is contained on the Home Learning document.

Children can complete their learning on Google classroom or you can email a copy of the work to the teacher. This needs to be completed by Tuesday the following week.

Upon completion of homework children will receive a reward ticket which will go into a reward ticket box.
