

Sunnyhill Primary School

# Family Learning

Helping your child at  
home with maths

**Nursery and Reception**

Wednesday 9th February 2022

9.00—10.00am

This session aims to share what the maths provision looks like in EYFS and provide you with some ideas on how you can support your child at home with maths.

This family learning session will be in person in the sports hall. Please drop your child(ren) to school as normal and make your way to the front office to sign in.

*Learning together, we will all be exceptional.*
