

Thursday 13<sup>th</sup> January 2022

Dear Year 6 Parents & Carers,

Homework in Year 6 is going to be changing this term. Your child will now have the following to complete each week:

- Reading - pupils should read a book of their choice for at least 10 minutes every day and record in their reading records. Reading records will be checked twice per week
- Reading Comprehension - A longer text will be uploaded onto Google Classroom with questions to be answered. This should take about 20 minutes to complete
- Times tables - 30 minutes of times table practise on times table rock stars
- Maths - There will be a video link added on Google Classroom every week for the children to watch and respond to. This video will be linked to learning in class or revision from a maths topic

Google classroom homework will be uploaded every Friday and will be due Thursday the following week. All children are expected to complete all their homework each week.

If you have any questions, please don't hesitate to contact your child's teacher.

Best wishes,

*J. Patience Amy Crosthwaite*
