

1st October 2021

Dear Parents and Carers

Annual Individual Photography

The Van Cols photographer will be in school on **Wednesday, 13th October 2021** to take individual photos.

Due to the current Covid restrictions, we regret that there will be no sibling photographs, this year.

The company are now operating a Proof On Day System where the pupils will be provided with a proof-card which they will scan at the time of their photo session.

The photo session will be a contactless photoshoot ensuring pupil safety and pupils will now be standing for their photographs.

Van Cols has prepared a Risk Assessment to ensure that the school photography can be safely conducted. A copy of the risk assessment is available upon request.

All children must wear full school uniform on the day and must arrive at school on time as there will be no other opportunity to take these photos this year.

If your child is due to have a PE Lesson on this day, please ensure they bring their Kit to school.

Orders

Parent will place orders on line by scanning the QR code on the proof card which your child will bring home. You can view and place your order using any device.

You are still able to place the order, directly with Van Cols, who will accept payment by cheque and/or visa debit card. Please note, that cash will not be accepted

Kind Regards

A handwritten signature in cursive script that reads "Sarah Wilson".
