

Thursday 13th January 2022

Dear Parents and Carers,

We will be running a series of parent and carer workshops over the Spring term. The aim of these sessions is to explore what we are teaching your children in school and how you can support them at home. There will also be SEND (Special Educational Needs and Disability) coffee mornings where experts have been invited to offer support and information.

With the current Covid-19 restrictions changing regularly, the workshops will be offered as a mixture of in-person and online sessions. We will send out more information about the session closer to the time, including the timings though they are likely to be in the morning just after drop off. We will also endeavour to make the resources available to you after the workshops.

Date	Session	Year groups
Monday 24th Jan	CLC online safety session	All
Wednesday 26 th January	Supporting your child with learning phonics at home	Nursery and Reception
Wednesday 9 th February	Supporting your child with maths at home	Nursery and Reception
