Dear Parents/Carers,

British Science Week is a ten-day celebration of science, technology, engineering and maths (STEM).

During the event, we would like to invite parents and carers from **STEM related professions** to come into school to talk to our pupils about their jobs.

We want to encourage a long-term interest in STEM subjects so that pupils are introduced to the wide variety of STEM careers that they may consider in the future.

If you have a job that you would like to talk about and are willing to be part of short sessions where children can ask questions about your work please email me at ngentleman@sunnyhill.lambeth.sch.uk.

Kind regards

A handwritten signature in black ink that reads "N. Gentleman".
