

8th February 2024

Dear Parents and Carers,

On Monday 18th March, 3H will be visiting The Garden Museum for a workshop on water transport in plants to complement our science topic of plants.

We will be leaving the school promptly at 9.05am and will be back at school by 3pm. We will be travelling by public transport (bus) to the venue.

All children must wear full school uniform for the trip, and should be in sensible footwear, have a rainproof coat and a small backpack to carry their lunch in. As all children now receive free school meals, a packed lunch will be provided for the trip. An email will be sent to you in order for you to choose a preferred lunch option. Please send your child to school with a bottle of water, remember that glass containers are not suitable for school trips.

We need a minimum of 2 parents to accompany us on this visit. If you are interested in accompanying the class on this visit, you must have an up to date DBS. Please speak to Hattie in the school office who can help you with this. We will contact you by Friday 15th April to let you know whether we need your support on this occasion.

Please remember, as per our educational visits procedures, this letter does not have a permission slip for you to return to your child's class teacher. All children are expected to attend all educational visits unless you do not wish for your child to attend. If this is the case, please inform your child's class teacher in writing.

Thank you

Michael Holland
