

15<sup>th</sup> October 19

Dear Parents and Carers,

We will be starting our weekly cooking sessions after half term. Cooking with children give us a unique opportunity to introduce new skills and new foods, that some of the children may not have experienced before. Our first recipe will be **cheese and herb scones**. In order for us to provide these sessions, we are asking for a voluntary donation of **50p-£1** to buy the ingredients necessary.

We would love the opportunity to incorporate recipes from home into our sessions. If you have any family recipes or recipes that you enjoy making at home with your child, please feel free to share these with us so we can use them in one of our sessions. We ask that all recipes provided are nut free.

Donations of any cooking equipment that you are no longer using, such as: **large mixing bowls, wooden spoons, baking trays, various cookie cutters** etc. would also be greatly appreciated.

Due to a clash in schedules this year we will have to split our cooking sessions over two days.

- Children who attend Nursery **Monday-Wednesday** will cook on **Wednesday mornings** before going home.
- Children who attend Nursery **Full time or Wednesday-Friday** will cook on **Thursday afternoons**.

Thank you,

Miss Hamilton
