

10th September 2019

Dear Parents and Carers,

RE: Class trip to Kensington Palace.

As part of our Science topic of 'Light' this term, **6 Rife** will be visiting Kensington Palace to view re-enactments of Sir Isaac Newton's famous light experiments on **Tuesday 17th September**.

We will be leaving the school promptly at 9.00am and will be back at school by 3.00pm so please arrive at school on time.

All children must wear full school uniform for the trip. If your child receives free school meals, a packed lunch will be provided for the trip. If your child does not receive free school meals then please ensure they have a healthy packed lunch and a bottle of water. Please also remember that sweets, fizzy drinks and glass containers are not suitable for school trips.

We would love to have some parents accompany us on the trip. If you are interested in supporting us, please complete the slip below and return it to your child's class teacher. Thank you in advance for your help!

Please remember, as per our new educational visits procedures, this letter does not have a permission slip for you to return to your child's class teacher.

Thank you,

Year 6 Class Teachers
