Healthy Tuck Shop

Dear Parents/Carers,

We are pleased to say that the school tuck shop will return to Sunnyhill on **30th September, 2019**.

The tuck shop will be open every week on **Mondays and Wednesdays** and will serve healthy, tasty and affordable snacks for **Years 4, 5 and 6**.

We are aware that, even after a hearty breakfast, some children have a mid-morning dip in concentration and we are keen that our children have a healthy snack option available in school.

The tuck shop will be run by our Year 5 children **during morning playtime**.

The snacks available will all be healthy options and will contribute to one or more of your child's recommended five-a-day, or a third of their calcium needs.

Prices will range from **20p to 80p**.

Children may bring a maximum of £2.00 to spend in the tuck shop.

If you would like your child to buy snacks in school, please remind them to keep the money in a safe place.

Nicola Gentleman

Assistant Deputy Head Teacher
