Quality, Creativity, Consistency, Collaboration

Dear Parents/Carers,

We have now reached the end of the first term of this school year. The term has been full of successful learning, visits and opportunities in all year groups!

A special thank you to all those parents/carers who were able to attend the end of term exhibition which showcased children's Design/Technology work (some pictures below) as well as the other events this term.

At the end of term, we sometimes say goodbye to members of staff. This term, Ms Ramsay who teaches 6 Rife is leaving us to relocate to Wales and Ms Holly who supports children in Year 6 is leaving us to pursue a new career. I would like to thank them for their service to the school and wish them both well for their future endeavours. Good luck Ms Ramsay and Ms Holly!

Attendance this term has been very good. Overall, our school attendance figure is **96.2%** - which is above the National average! We recently celebrated our 'bronze' attendance assembly, awarding children who have attended every day since September. Well done everyone!

May I take this opportunity to wish you a relaxing and enjoyable Christmas break and a happy new year for 2020!

There are some reminders in this newsletter, so please read on!

Best wishes,

Sarah Wilson

Head Teacher

Curriculum Celebration

We saw an amazing celebration of learning on 13th December! The progression in skills from Nursery to Year 6 was really clear! Children enjoyed going around the exhibition during the day and the feedback from parents/carers was really positive!

School Uniform

As we move into the new term, please may I ask that children wear full school uniform every day. If you are buying your child new shoes during the holidays, please buy plain black sensible school shoes/trainers.

Thank you for your cooperation.

Collection Arrangements

Over the past few weeks, there have been some occasions when confusion has arisen over who has collected a child from school. It is essential that parents/carers provide us with up to date contact details and keep us informed of any changes in collection arrangements. If you are collecting someone else's child to help them out, please ensure the parent/carer knows that the child is with you and where to meet you.

After School Clubs – 4.15pm finish

When your children attend the after school enrichment clubs which finish at 4.15pm, please may we ask that you do not wait inside the school building. It can become quite difficult for staff to manage when there are lots of parents/carers, friends and siblings waiting downstairs for children. It also compromises our safety and security procedures when we do not know exactly who is on site. From January, we will ask you to wait outside until it's time to collect the children. I hope you understand.....
