1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

Briefly explain how you make decisions on how to use the pupil premium in your school. You may wish to cover how you:

- As an inner London School, we are a diverse community whose families face a range of challenges, many of which stem from poor housing, uncertain residency status, access to quality affordable childcare and access to community support. As a result, many of our pupil premium children are from families whose first language is not English and many struggle to access appropriate IT equipment and reasonable space to complete homework. In addition, due to the high cost of public transport in London, many of our pupil premium children lack access to the many and varied opportunities available to increase their cultural capital in London.
- We use evidence to inform your decisions on pupil premium spending – for example, by using evidence-based research and resources from the [Education Endowment Foundation](#), and learning from what works at our school
- We address a wide range of needs, and take group and individual needs into account
- Wherever possible, we engage with parents/carers to take their views on the needs of their child into account

Some examples of how the school may use the grant include, but are not limited to:

- Additional small group support, particularly for key points in the children's education e.g. phonics, Y2, Y6
- Employing extra teaching assistants
- Funding educational trips and visits
- Funding English classes for children who speak another language

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online. Our pupil premium strategy is available here: www.sunnyhillprimary.com

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils from Reception to Year 6. Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

5.3 Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

5.4 Ever 6 service children

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

6. Roles and responsibilities.

6.1 Head Teacher and senior leadership team

The head teacher and senior leadership team are responsible for:

- Keeping this policy up to date, and ensuring that it is implemented across the school
