

Let's sing

Here are some of our favourite songs and videos we are using to support our learning in class this term. Watch and join in at home.

Let's all do the 10 dance (number bonds of 10 song):

https://youtu.be/UD_RUVLPvTY

The Counting by 2s song:

<https://youtu.be/GvTcpfSnOMQ>

DOUBLES DOUBLES!:

<https://youtu.be/8jOzhiACB68>

Greater than, less than 'Let it Go':

<https://youtu.be/-sdfNu9BVkQ>

Let's talk

Choose a shape, hide it and then describe the shape to someone in your family without naming it. Use words like sides, straight, edge, face, corners to describe the properties of the shape.

Let's draw

Draw a large number line from 0-20. Remember to use a ruler to keep your line straight. Now write the number names in words underneath your number line. Use your completed number line to count backwards from 20.

'Dip and Do'

Maths

Year 1

Summer Term 2022

Let's play

Download the free app 'White Rose 1-minute Maths' app to help build your number confidence & fluency through fun 1-minute tasks.

Let's solve

Roll 2 dice and write the numbers down to make an addition calculation. $\square + \square = ?$

Add the 2 digits by 'counting on' from the biggest number. Write down your answer and check using objects. Challenge: use 3 dice.

$$\boxed{6} + \boxed{4} = \boxed{10}$$

$$\boxed{6} + \boxed{6} + \boxed{4} = \boxed{16}$$

With your child, dip into the activities on the sheet. You don't have to do them all. Your child can present their work in any way they choose.
