

In the forest, the deep dark forest  
Fairies fly around.  
In the forest, the secret forest  
Love is all around.

In the forest, the pretty forest  
Love is lost and found  
In the forest, the glowing forest  
The dreams can go around.

In the forest, the deep dark forest  
fairies fly around.  
In the forest, the secret forest  
Love is all around.
