Let's solve

The history of fractions. From as early as 1800 BC, the Egyptians were writing fractions.

<https://nrich.maths.org/2515>

The ancient Egyptians were said to make right-angled triangles using a rope which was knotted to make 12 equal sections.

'Dip and Do'
What a Wonderful World
Year 5
Spring Term 2023

Let's write

Watch the clip and write the narrative to Tad's journey inside an Egyptian tomb. <https://www.literacyshed.com/the-egyptian-pyramids.html>

Let's create The Ancient Egyptians used hieroglyphics to write. This was a mixture of pictures & symbols. Can you make up your own alphabet? Do you need as many letters as we have, or can you do with fewer?

Let's talk

Listen to bbc podcast about Cleopatra
<https://www.bbc.co.uk/programmes/m000kgnr>
Create your own podcast from your research about ancient egyptians.

Let's get technical What happens if you try to throw a flat piece of paper across the room? What can you do to the paper to make it go further? Why do you think this works? What shapes work best? Why?

This term our topic is 'What a Wonderful World'. With your child, dip into the activities on the sheet. You don't have to do them all. Your child can present their work in any way they choose.
