

SUNNYHILL PRIMARY SCHOOL

Early Help

Learning Together, We Will All Be Exceptional

At Sunnyhill we understand that all families can experience difficulty from time to time and there may be situations where you need extra support and help. We provide Early Help services for parents, pupils and or whole families. The aim of Early Help is to provide the right support, at the right time, which promotes positive social, health and behavioural outcomes for the children in our care. Providing Early Help to our children and families means we can be more effective in preventing problems from affecting a child's ability to learn and thrive. Early Help means providing support as soon as an issue arises, at any point in a child's life. Please see the information below for details of the range of ways in which we can assist or help you to find the support that you need.
