Autumn Term Curriculum

English

Focus Texts: The Odyssey by Gillian Cross, Freedom Bird by Jerdine Nolen, Hidden Figures by Margot Lee Shetterly and Laura Freeman and Shakespeare - Macbeth

Reading: We have daily whole class reading sessions using extracts from fiction and non-fiction texts as well as poetry.

Writing: We write diary entries, formal letters, adverts, character and setting descriptions, non-chronological reports, information labels, explanations,, memoirs, persuasive letters and leaflets.

Maths: This term we are focusing on developing our knowledge of place value; addition and subtraction; multiplication and division; fractions; decimals and percentages and money. We will also be working on our times tables to ensure that we develop speed and fluency with tables up to 12x.

Computing: Our first topic this term is 'Sharing Information' where we will develop our understanding of computer systems and how information is transferred between systems and devices. In the second half of this term, we will be learning about video editing.

Autumn Term Curriculum

Science: Our topic this term is Earth & Space. We will learn the difference between stars, planets and satellites; that there are 8 planets and they orbit the sun; we will learn approximately the difference in sizes between the planets; what makes day and night and how the seasons happen.

History/Geography: Our Geography topic this term is getting to know River Haliacmon - the longest river flowing entirely in Greece. This links to our History Topic of Ancient Greece where we will be learning about Greek life and achievements and their influence on the western world.

Modern Foreign Language (Spanish): We will be working on developing our vocabulary through speaking, listening, reading and writing in the following topics: greetings, school subjects, feelings, opinions, cities, buying tickets and our favourite things.

PSHE: Our weekly Jigsaw sessions will be focusing on 'Being me in my world' and 'Celebrating difference'.

PE: This term, we will be working on developing our skills in tag rugby, gymnastics, football and basketball.

Art/DT: This term we will be working on our drawing sketching skills when working on observational drawings of River Haliacmon. We will also be creating Greek pots using clay. In DT, we will be focusing on cooking and nutrition.

Music:
MX Strings - violin and cello
Macbeth Performance Project.

Dates for your diary

Important Dates:

Meet the Teacher - Wednesday 20th September

Black history Month begins - Monday 2nd October

Individual and sibling photographs: Wednesday 18th October

Turn Back The Clock Day: Friday 20th October

Parents' Evenings: Tuesday 14th and Thursday 16th of November

Christmas Fair: Friday 8th December (TBC)

More information on these events will be given closer to the time.

Parent Workshops

We run a series of parent workshops - please attend them as you will get lots of information for how we teach your children and how you can help your child to learn at home. A letter with all the dates was emailed to you at the end of last week.

Home Learning

Home learning is given out on Friday and should be handed in by the following Thursday (after homework club)

Educational Visits and Workshops

We will ask for contributions towards the cost of trips and educational workshops - you can pay this through our online payment system.

We often need parents to help us on school trips.

If you think you might like to volunteer in the future, you will need a DBS check.

E-safety

We need your support to manage online safety when children are at home. Please monitor their internet usage and report anything that concerns you to your child's class teacher or our safeguarding team.

We teach regular online safety lessons.

The age restrictions are there to protect your child.

School Dinners and Packed Lunch - Reception - Y6

All children in the school receive free school meals. We encourage the children to take this option so that they have a well balanced meal during the day.

The children should only bring water to school to drink in a reusable water bottle.

We are a nut free school

Please **do not** put the following in your child's packed lunch:

- Crisps
- Chocolate
- Biscuits
- Fizzy drinks
- Juice

After School Clubs

Children learn new skills and enjoy time with their friends outside of the usual school day in our after school clubs. Studies have shown that children who frequently participate in after school activities are more likely to show greater levels of attention and engagement in class and that they gain confidence and a sense of independence.

Volunteers Needed!

Are you able ^{*}to support us by becoming a reading volunteer or a timestable champion?

We are looking for volunteers to come and **read with children** across the school or to **help us learn our times tables**.

Any day and a time that suits you. If you are interested, please email ctrewhella@sunnyhill.lambeth.sch.uk or speak to your child's class teacher.

Attendance and Punctuality

Children start school at 8:55. Gates are open from 8:45 and children begin learning straight away.

Children must be on time every day so that they are ready for learning and so that they do not disturb the learning of other children.

If your child's attendance drops below 90% or they are frequently late, our attendance team will contact you to offer support.

Healthy snacks only at the end of the day and please do not use your phone in the playground - this is a safeguarding issue.

Absence

If your child is unable to come to school due to illness, you must call the school number and speak to the office or leave a message before the start of the school day.

If we do not receive information about why your child is absent we will call you. If attendance issues are ongoing we may conduct a home visit.

Please try to book appointments outside of the school day but if this is not possible, bring any appointment cards/letters/texts to the office.

We are unable to authorise any term time holidays.

School finishes at 3:15

Please be on time to collect your child. It can be distressing for children to be the only ones left.

If you are going to be late it is **very important** that you call to let us know so we can reassure your child that you are on your way.

Children who are collected after 3:40 will be put in after school club at a cost to you.

If you need any support, please see your child's class teacher, Ms Trehwella or Ms Gentleman.

Any Questions?
