5P Class Newsletter - Spring Term 2024

Learning together, we will all be exceptional.

English

Focus Texts: Robot Girl by Malorie Black; Anne Frank by Josephine Poole

Reading: We have daily whole class reading sessions using extracts from fiction and non-fiction texts as well as poetry.

Writing: We write a discussion, a debate, dialogue, character comparisons, a review, a science fiction narrative, letters, descriptions, diary entries, an obituary and newspaper article.

Maths: This term we are focusing on developing our knowledge of multiplication up to 4-digit x 2-digit and using the skills to solve problems. We will also be covering division, fractions, decimals and percentages. We will continue to work on our times tables to ensure that we develop speed and fluency with tables up to 12x.

Computing: Our first topic this term is 'programming' where we will be using crumble kits to programme designs. In the second half of this term, we will be using tools within a database to answer questions about sets of data.

Science: Our topics this term are forces and changes of materials. We will explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object and identify the effects of air resistance, water resistance and friction, that act between moving surfaces.

Spring Term Curriculum

History/Geography: Our History topic this term is about ancient civilisations in Ancient Egypt. In Geography we will be learning about Sustainable Development Goal number 11; sustainable cities and communities.

Modern Foreign Language (Spanish): We will be working on developing our vocabulary through speaking, listening, reading and writing in the following topics: healthy eating, fruits and vegetables, going to the market and asking the price of items.

PSHE: In our weekly Jigsaw sessions we will be learning about 'Dreams and Goals' and 'Healthy Me' where we will explore about the importance of money and the effects of alcohol and smoking.

PE: This term, we will be working on developing our skills in netball, tennis and swimming at Streatham leisure centre.

Art/DT: This term we will be working on our drawing skills through the study of Stephen Wiltshire and his cityscapes. We will explore his techniques and then use charcoal to create our own cityscapes.

RE: This term, we will be learning about Santana Dharma to investigate if Brahman be everywhere and in everything. We will also be learning about Christianity and how significant it is for Christians to believe that God intended Jesus to die.

Music:
MX Strings - violin and cello
